## 12. BLACK ECONOMIC EMPOWERMENT

The people of South Africa have given an overwhelming mandate to consolidate democracy and change. Kagisano has been pro-active in discharging its empowerment responsibility. Approximately 100% of the group share capitals held by previously disadvantaged individuals. Kagisano will be the leading business enterprise embracing the economic imperatives of the country's newfound democracy. To this extent we believe that we adhere to the three cornerstones that underpin true and meaningful empowerment namely;

1. Empowerment through equity participation (Not only the partners have equity but they are involved in day-to-day management).
2. Empowerment through sub-contracting.
3. Empowerment through sustainable and effective affirmative actions.
