OFFICE CLEANING SERVICES

Choosing the right cleaning service is essential to the wellbeing of your company.
A clean and fresh appearance is more inviting to customers and it helps your business retain and increase its load of clients.

BENEFITS

- Employees safety is of utmost importance for employers and keeping your office clean and hygienic can prove to be a valuable tool in your fight against accidents. Cleaner workspaces provide a safer environment for your employees, so it's in your interest to invest in this area.
- A clean workspace means more than just having a sparkling, fresh building.

A clean workplaces also ensure the health of employees, which reduce stress and improve creativity.

THE OFFICE CLEANING SERVICES THAT WE OFFER

- Hard and Carpeted floor care
- Tile cleaning
- Waste disposal including recycling
- High level dusting
- Freestanding and built in furniture cleaning
- Bathroom cleaning
- Communal areas including canteen| Kitchen cleaning

WE GUARANTEE YOU

Clean, trained, hardworking, uniformed and experienced cleaning staff
Construction Cleaning Services.
We have a team which is highly trained and skilled which specialise in construction cleaning for the building industry. Our team knows the importance of safety, quality standards and occupational health.

THE CONSTRUCTION CLEANING SERVICES THAT WE OFFER

- Pre-build cleaning (for safe and hygienic standards)
- Builders cleaning (Most builders cleaning are undertaken during the closing stages of a build, prior to hand-over to the owner)
- Final cleaning (After a builders cleaning has been undertaken, the decision is often made for a final cleaning to be carried out; a final clean of a building project means it will be ready for people to move into the premises)

SCHOOL CLEANING SERVICES

To prepare for their future, your students require a clean and safe environment that is conducive to teaching and learning. We guarantee that you can be confident that your facility will always meet the cleaning standards you have set for your institution. We also make sure that your learners will see nothing but the opportunity to excel at a pristine facility.

THE SCHOOL CLEANING SERVICES THAT WE OFFER

- Waste disposal including recycling
- Bathroom cleaning
- Offices and Classes Cleaning
- Garden and Yard services
- We cater for
- Private Schools
- Government Schools
- Colleges and Universities
- Technical Colleges

CAR PARKING CLEANING SERVICES

Industry studies has confirmed that car parks that are clean attract more customers and elicit fewer complaints, than facilities that are dusty, dirty or littered with rubbish. This is true whether the facility charges for parking or provides it for free

OUR CAR PARKING CLEANING SERVICE INCLUDE

- Car park sweeping
- Property management
- Pressure washing
- Sign repair
